CHAPTER 1 ADMINISTRATION

100 BOARD OF ZONING ADJUSTMENT JURISDICTION; AUTHORITY; POWERS

- 100.1 This subtitle supplements procedures set out in the Zoning Act of 1938; the Civil Infractions Act, the Foreign Missions Act, the Zoning Regulations of the District of Columbia, Title 11 DCMR; and the D.C. Administrative Procedure Act, D.C. Official Code §§ 2-501 to 2-511.
- 100.2 This subtitle shall be effective on _____, and applicable in its entirety to applications or appeals filed after that date with the Board of Zoning Adjustment for the District of Columbia (Board), and to applications or appeals filed as of that date, but for which the Board had not granted a public hearing.
- 100.3 The Board, pursuant to § 8 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, 799, as amended; D.C. Official Code § 6-641.07(f) and (g)(2)-(3) (2001)), shall have original jurisdiction to grant variances under Y Chapter 8 and special exceptions under Y Chapter 9, and to exercise all other powers authorized by the Zoning Act.
- 100.4 The Board, pursuant to § 8 of the Zoning Act, D.C. Official Code §§ 6-641.07(f) and (g)(1), shall also hear and decide zoning appeals where it is alleged by the appellant that there is error in any order, requirement, decision, determination, or refusal made by any administrative officer or body, including the Mayor, in the administration or enforcement of the Zoning Regulations, Title 11 DCMR.
- 100.5 The Board, pursuant to § 301 of the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985, effective October 5, 1985 (D.C. Law 6-42, as amended; D.C. Official Code § 2-1803.01 (2001)) (Civil Infractions Act), shall entertain and decide appeals (civil infraction appeals) timely filed by persons aggrieved by orders issued by hearing examiners pursuant to the Civil Infractions Act, or by the Mayor, involving infractions of chapter 6 of Title 6 of the District of Columbia Official Code, 2001 Ed., pertaining to zoning and the height of buildings, or of the Zoning Regulations.
- 100.6 The Board, pursuant to § 206 of the Foreign Missions Act, approved August 24, 1982 (96 Stat. 282, 286; D.C. Official Code § 6-1306 (2001)), shall have the authority to make determinations regarding the location, replacement, or expansion of chanceries in the District of Columbia, and to hear and decide appeals of administrative decisions relating to a chancery based in whole or in part upon the Zoning Regulations and Zoning Map, subject to the procedures and criteria established in § 206 of the Foreign Missions Act, D.C. Official Code § 6-1306, and in the pertinent provisions of the Zoning Regulations, including Chapter 10 of this title. All proceedings shall be of a rulemaking nature.

101 GENERAL PROVISIONS

- 101.1 In any conflict between this subtitle and any other provisions of this title, the other provisions of this title shall govern.
- 101.2 In any conflict within this subtitle between general and specific provisions, the specific provisions shall govern.
- 101.3 In any conflict between this subtitle and the D.C. Administrative Procedure Act, the Act shall govern.
- 101.4 Legal advice from the Office of the Attorney General may be requested or received at any time.
- 101.5 Informal requests for advice or moot questions shall not be considered by the Board.
- 101.6 Except for Y §§ 100 through 105, 602.1 and 604.6, the Board may, for good cause shown, waive any of the provisions of this subtitle if, in the judgment of the Board, the waiver will not prejudice the rights of any party and is not otherwise prohibited by law.

102 ORGANIZATION

- 102.1 The Board shall consist of five (5) members and shall have the duties and powers set forth in this subtitle.
- 102.2 The Board, pursuant to D.C. Official Code § 6-641.07, shall consist of three (3) Mayoral appointees, one (1) member of the National Capital Planning Commission (or staff designee), and one (1) member of the Zoning Commission (or staff designee).
- 102.3 Three (3) members of the Board shall constitute a quorum. A quorum is necessary to conduct a hearing or meeting, but a lesser number may publicly announce a postponement or adjournment. If necessary, the Director of the Office of Zoning or his/her designee (Director) may announce a postponement.
- 102.4 The Board shall elect its Chairperson and Vice-Chairperson at its first meeting held in February of each calendar year, unless a vacancy occurs at some other point during the calendar year, at which point the Board shall hold elections in a timely manner.
- 102.5 The Chairperson shall preside at all meetings and hearings of the Board. In the event of the absence or disability of the Chairperson, the Vice-Chairperson shall preside.
- 102.6 The Chairperson of the Board shall be selected from one (1) of the three (3) Mayoral appointees to the Board.
- 102.7 A Board member may vote or cast an absentee vote at a meeting only if the Board member attended all of the hearings on the application or appeal, or read the

transcript(s) and reviewed the complete record. Nothing in this subsection shall be construed to require a Board member to read the transcript in order to vote on a subsequent application to extend or modify the order granting the application.

102.8 While a majority of the Board members present at a meeting or hearing may take a procedural action, any final action on an application or appeal requires the concurrence of at least three (3) of the five (5) Board members.

102.9 No Board member shall vote on any post-hearing motion unless the Board member participated in, and voted on, the original decision, or the Board member read the transcript of the hearings and reviewed the record.

103 MEETINGS AND HEARINGS

103.1 On or about the first (1st) day of the calendar year, the Director shall publish in the *D.C. Register* a 12-month calendar or schedule of meeting dates, and continually update the Office of Zoning online calendar to reflect the meeting dates.

Administrative Procedures Act, as amended by the Open Meetings Act, effective March 31, 2011 (D.C. Law 18-350, D.C. Official Code § 2-575(b)), the Board may hold a closed meeting, but only after the Board meets in public session and votes in favor of entering into a closed meeting.

103.3 All records of the Board shall be filed with the Office of Zoning and shall be open to public inspection.

103.4 Subject to the direction of the Board and its Chairperson, the Director shall perform the following duties:

- 103.5 The proposed public agenda for each meeting shall be posted on the Office of Zoning website and available to the public at least six (6) days prior to each meeting.
- 103.6 Copies of the agenda shall be available to the public at the meetings or hearings.
- 103.7 Nothing in this section shall preclude the Board from amending the agenda at a meeting or hearing.
- 103.8 A meeting of the Board shall be held in accordance with a schedule to be established by the Board pursuant to Y § 103.1 and additional meetings may be scheduled or cancelled, as needed. Meetings may be called by the presiding officer or by three (3) Board members.
- 103.9 The Board shall schedule hearings for the purpose of receiving evidence and testimony on specific applications and appeals advertised in advance.

104 TRANSCRIPTS OF PUBLIC MEETINGS AND HEARINGS

- 104.1 The transcripts of Board public meetings and hearings are a matter of public record and shall be available through the Office of Zoning.
- 104.2 The public meetings and hearings shall be reported under the supervision of the presiding officer, by transcription or by other means, by an official reporter who may be designated from time to time by the Director or who may be an employee of the Office of Zoning.
- 104.3 The transcript prepared by the reporter shall be the sole official transcript of public meetings and hearings.
- 104.4 Copies of the transcript shall be made available by the Office of Zoning fourteen (14) days after the public meeting or hearing.
- 104.5 A motion to correct a transcript may be made only when the alleged error is substantive.

- 104.11 If a motion to correct a transcript is granted, the corrected transcript shall be made available by the Office of Zoning fourteen (14) days after the Board grants the motion.

105 RULES OF ETHICS

- 105.1 Members of the Board shall at all times maintain a high level of ethical conduct in connection with the performance of their official duties, and shall refrain from taking, ordering, or participating in any official action which would adversely affect the confidence of the public in the integrity of the government of the District of Columbia.

If following disclosure of any basis for disqualification other than personal bias or prejudice concerning a party, the parties and their representatives all agree that the Board member should not be disqualified, and the Board member is then willing to participate, the Board member may participate in the proceeding.

- 603.1 This section applies to all applications and appeals filed with the Board under this subtitle; provided, however, that Y § 603.3 only applies to chancery applications.
- 603.2 No decision or order of the Board on an application or appeal shall be made except upon the exclusive record of the proceedings before the Board.

604 FINAL DECISION AND EFFECTIVE DATE OF DECISIONS

- 604.1 The provisions of this section apply as follows:
- (a) This section applies in its entirety to all variance and special exception applications and all appeals; and

- 604.5 Unless a summary order is authorized by the Board, a final order on an application shall be in writing and accompanied by findings of fact and conclusions of law, which shall be filed in the record. The prevailing party in any application or appeal may file a proposed order or a revision to a previously filed proposed order after a vote to approve or deny is taken. CHAPTER 7 APPROVALS AND ORDERS

700 RECONSIDERATION OF FINAL ORDER; REHEARING AFTER FINAL ORDER

700.1 The provisions of this section apply as follows:

- (a) This section applies in its entirety to variance and special exception applications and zoning appeals;
- (b) The provisions of this section relating to reconsideration apply to civil infraction appeals; and
- (c) This section does not apply to chancery proceedings.

700.2 Any party may make a motion to request that the Board reconsider a final order, based on the existing exclusive record, if the order contains errors of fact or law, except that a party shall not present arguments substantially identical to those already considered and rejected by the Board.

700.3 Any party in a zoning appeal or a variance or special exception proceeding may make a motion to request that the Board re-open the record and rehear the application or appeal, in whole or in part, to permit the party to present newly discovered evidence which, by due diligence, could not have been reasonably presented to the Board prior to the issuance of the Board's final order.

700.4 The Board shall not accept for filing nor consider any motion for reconsideration or rehearing that is filed prior to the issuance of the final order pursuant to Y § 604.8.

700.5 A motion for reconsideration, rehearing, or re-argument shall be filed on a form and in a manner as may be designated from time-to-time by the Office of Zoning.

700.6 A motion for reconsideration or rehearing shall be filed within ten (10) days from the date of issuance of a final order, and shall be served on all other parties to the proceeding at or before the time the motion is filed with the Board.

700.7 A motion for reconsideration shall state specifically:

- (a) All respects in which the final order is claimed to be erroneous; and
- (b) The relief sought.

700.8 A motion for rehearing shall state specifically:

- (a) The newly discovered evidence;
- (b) The reason the newly discovered evidence could not have been reasonably presented to the Board prior to the issuance of the Board's final order; and

(c) The relief sought.

700.9 Within ten (10) days after a motion for reconsideration or rehearing has been filed and served, any other party may file a written response in support of or opposition to the motion. The response shall be served on all other parties to the proceeding at or before the time the response is filed with the Board. Replies by other parties to the aforementioned answers will not be accepted into the record.

700.10 The Board, on its own motion, may decide to reconsider or rehear a case, no later than ten (10) days after the filing of the final order in the case record.

700.11 If a rehearing is granted, the Board shall give notice of the rehearing, together with a designation of the issues to be addressed, in accordance with the procedures specified for providing public notice in the original public hearing.

700.12 Unless the Board orders otherwise pursuant to Y § 701.2, neither the filing nor granting of a motion for reconsideration or rehearing shall automatically stay the effect of a final decision.

700.13 A motion for reconsideration or rehearing shall not be a prerequisite to judicial review.

701 STAY OF FINAL DECISION AND ORDER

701.1 The provisions of this section apply as follows:

- (a) This section applies in its entirety to zoning appeals and variance and special exception applications;
- (b) Except with respect to a stay pending rehearing, the provisions of this section apply to civil infraction appeals; and
- (c) This section shall not apply to chancery proceedings.

701.2 The Board, on its own motion or the motion of a party, may order the effectiveness of a final decision and order of the Board stayed pending reconsideration or rehearing, *sua sponte* review by the Zoning Commission (Commission), or appeal of the decision and order to a court of competent jurisdiction.

701.3 Except as provided in Y § 701.4, the Board shall grant a stay only upon finding that all four of the following criteria are present:

- (a) The party seeking the stay (or, in the case of a stay to be issued on the Board's own motion, the party in whose favor the stay would be ordered) is likely to prevail on the merits of the motion for reconsideration or rehearing, the *sua sponte* review, or the appeal;
- (b) Irreparable injury will result if the stay is denied;

(c) Opposing parties will not be harmed by a stay; and

(d) The public interest favors the granting of the stay.

701.4 Where the criteria in paragraphs (b) through (d) of Y § 701.3 strongly favor the granting of a stay, the Board may grant a stay upon finding that the party requesting the stay (or, in the case of a stay to be issued on the Board's own motion, the party in whose favor the stay would be ordered) has:

(a) Raised serious questions going to the merits of its claim; and

(b) Presented fair grounds for more deliberative investigation by the Board, in the case of a motion for reconsideration or rehearing, by the Commission in the case of *sua sponte* review, or by the court, in the case of an appeal.

701.5 In the event of a *sua sponte* review by the Commission of the final decision and order of the Board, a motion to stay the effectiveness of the decision and order, whether by a party or the Board, shall ordinarily be determined in the first instance by the Board. The Commission may, on its own motion, order the effectiveness of the decision and order of the Board stayed pending the Commission's *sua sponte* review proceedings. As *sua sponte* review is a discretionary internal process, the Commission shall not entertain a motion for stay from a party.

702 VALIDITY OF APPROVALS AND IMPLEMENTATION

702.1 An order granting a special exception or variance where the establishment of the use is dependent upon the erection or alteration of a structure shall be valid for a period of two (2) years, or one year (1 year) for an Electronic Equipment Facility, within which time an application shall be filed for a building permit for the erection or alteration approved. If the erection or alteration of more than one structure is approved, a building permit application must be filed for all such structures within this two (2) year period.

702.2 An order granting a special exception or variance where the establishment of the use is not dependent upon the erection or alteration of a structure shall be valid for a period of six (6) months, within which time an application shall be filed for a certificate of occupancy for the use approved.

702.3 In the event an appeal is filed in a court of competent jurisdiction from an order of the Board, all time limitations of Y § 702.1 and 702.2 shall commence to run from the decision date of the court's final determination of the appeal. Unless stayed by the Board or a court of competent jurisdiction, an applicant may proceed pursuant to the order of the Board prior to the court's final determination.

702.4 The filing of a request to modify plans or any other aspect of a Board order pursuant to Y § 705 shall not toll the time periods in Y § 702.1 and 702.2 and an order granting a modification shall not extend those time periods.

- 702.5 A structure erected pursuant to an area variance shall be deemed a conforming structure but any expansion that does not conform to the use and structure requirements of the Zoning Regulations shall require additional variance relief.
- 702.6 Expansion of a use authorized by a variance shall require the grant of another use variance.
- 702.7 Following approval of an application by the Board, the applicant may file an application for a building permit or certificate of occupancy with the proper authorities of the District of Columbia.
- 702.8 The Zoning Administrator shall not approve a permit application for zoning compliance unless the plans conform to the plans approved by the Board as those plans may have been modified by any guidelines, conditions, or standards that the Board may have applied, subject to the minor deviations permitted by Y §703.
- 702.9 The Zoning Administrator also shall not approve an application for a certificate of occupancy unless the requested use is identical to the use approved by the Board or is for a use permitted as a matter of right.

703 ZONING ADMINISTRATOR FLEXIBILITY

- 703.1 The following deviations are permitted pursuant to § 703.1, but are not in addition to any minor modifications allowed pursuant to § 703.3:
- (a) Deviations not to exceed two percent (2%) of the area requirements governing minimum lot area, lot occupancy, and areas of courtyards and roof structures;
 - (b) Deviations not to exceed the greater of two percent (2%) or twelve inches (12 in.) of the linear requirements governing minimum lot width; and
 - (c) Deviations not to exceed the greater of ten percent (10%) or twelve inches (12 in.) of the linear requirements governing minimum rear setback, side setback, courtyard dimensions, and roof structure setback requirements, provided that all deviations of roof structure setback requirements comply with the Act to Regulate the Height of Buildings in the District of Columbia, approved June 1, 1910 (36 Stat. 452, as amended; D.C. Official Code §§ 6-601.01 to 6-601.09 (formerly codified at D.C. Code §§ 5-401 to 5-409 (1994 Repl. & Supp. 1999))).
- 703.2 The Zoning Administrator, when reviewing applications for building permits, is authorized to permit the minor modifications listed in Y § 703.3 to plans approved in a Board order granting an application, provided that the Zoning Administrator determines that the proposed modification is consistent with the intent of the Board in approving the application.
- 703.3 The following minor modifications to approved plans are permitted:

- (a) Deviations not to exceed two percent (2%) in the height, percentage of lot occupancy, or gross floor area of any building that is the direct result from structural or building code requirements;
- (b) Deviations not to exceed two percent (2%) in the number of residential units, hotel rooms, institutional rooms, or gross floor area to be used for commercial or accessory uses within the approved square footage;
- (c) Deviations not to exceed two percent (2%) in the number of parking or loading spaces; and
- (d) The relocation of any building within five feet (5 ft.) of its approved location, for reasons of unforeseen subsoil conditions or adverse topography.

703.4 Following approval of any minor modifications under Y § 703.3, the Zoning Administrator shall report to the Board, as applicable, the modification approved under this section.

703.5 No building permit that requires the approval of a minor modification may be issued during a thirty (30) day period that begins on the date of a report made pursuant to Y § 703.4 unless the Board advises the Zoning Administrator that it concurs that the modification is minor.

703.6 If at any time during the thirty (30) day period the Board finds that the modification should not have been granted, the Zoning Administrator may not approve the building permit application, but shall advise the applicant that it must seek a modification pursuant to Y § 705.

703.7 Any requested modifications that cannot be approved by the Zoning Administrator shall be submitted to and approved by the Board.

704 CONSENT CALENDAR – MINOR MODIFICATION AND TECHNICAL CORRECTIONS TO ORDERS

704.1 This section applies to all applications and appeals filed with the Board under this subtitle; provided, however, this section does not apply to chancery applications.

704.2 The procedure shall allow the Board, in the interest of efficiency, to make, without public hearing, minor modifications and technical corrections to previously approved final orders.

704.3 For purposes of this section, minor modifications shall mean modifications that do not change the material facts upon which the Board based its original approval of the application.

704.4 A request for minor modification of plans shall be filed with the Board not later than two (2) years after the date of the final order approving the application.

- 704.5 Any party to a previously filed case in which an order has been issued, may make a motion in writing to have a matter placed on the Consent Calendar.
- 704.6 An application for minor modification approval shall be made in an appropriate manner provided by the Director. The applicant shall furnish eleven (11) copies of all information required by the form at the time of filing the application, including the following:
- (a) A completed application form;
 - (b) The nature of, reason(s), and grounds for the minor modification or technical correction; and
 - (c) A copy of any Board final order proposed to be modified or corrected.
- 704.7 The Board, upon its own motion, may request that a matter be placed on the Consent Calendar.
- 704.8 All written requests shall be served by the moving party on all parties in the original proceeding at the same time that the request is filed at the Office of Zoning.
- 704.9 Within ten (10) days after a request to put a matter on the Consent Calendar has been filed and served, any other party may file a response in opposition to or in support of the request. The responding party shall serve all other parties at the time that the response is filed with the Office of Zoning.
- 704.10 A decision on a request for minor modification of plans shall be made by the Board on the basis of the written request, the plans submitted therewith, and any responses thereto from other parties to the original application.
- 704.11 Any member of the Board may remove any item from the Consent Calendar for any reason. Any matter that is not placed on the Consent Calendar or that is removed from the Consent Calendar shall be acted upon by the Board according to the applicable procedures contained in other sections of this subtitle.
- 704.12 The filing of any modification request under this section shall not act to toll the expiration of the underlying order and the grant of any such modification shall not extend the validity of any such order.
- 704.13 A request to modify other aspects of a Board order may be made at any time, but shall require a hearing.

705 MODIFICATION OF PLANS AND ORDERS

- 705.1 This section applies to all applications filed with the Board under this subtitle; provided, however, this section does not apply to chancery applications.

- 705.2 A modification to an approved application or issued order may be requested subject to the conditions of this section.
- 705.3 Modifications shall be considered as one of the following:
- (a) A minor modification, as defined in Y § 704.3:
 - (b) A modification of little or no consequence, which is a proposed change to an approved element that was not a consideration of or of significance to the Board in deciding the case;
 - (c) A modification of consequence, which is a proposed change to a condition cited by the Board in the final order, or a redesign or relocation of architectural elements and open spaces from the final design approved by the Board; and
 - (d) A significant modification, which includes any other proposed modification.
- 705.4 The Board shall determine the proposed modification as one of the following:
- (a) A technical correction or modification of little or no consequence, which may be acted upon as a consent item with no public hearing;
 - (b) A modification of consequence, which the Board may consider at a meeting with no additional public hearing; or
 - (c) A significant modification, which requires additional public hearing(s).
- 705.5 A public hearing on a request for a modification of consequence or significant modification shall be focused on the relevant evidentiary issues requested for modification and any condition impacted by the requested modification.

706 TIME EXTENSIONS

- 706.1 The Board may extend the time periods in Y § 702.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval; provided, that the Board determines that the following requirements are met:
- (a) The extension request is served on all parties to the application by the applicant, and all parties are allowed thirty (30) days to respond;
 - (b) There is no substantial change in any of the material facts upon which the Board based its original approval of the application that would undermine the Board's justification for approving the original application; and
 - (c) The applicant demonstrates that there is good cause for such extension, with substantial evidence of one or more of the following criteria:

- (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control;
- (2) An inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or
- (3) The existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

706.2 A time extension granted pursuant to Y § 706.1 shall not exceed two (2) years, or one (1) year for an Electronic Equipment Facility.

706.3 The Board's decision on the request shall be in writing and shall become final and effective upon its filing in the record and service upon the parties.

706.4 A request for a time extension shall toll the expiration date for the sole purpose of allowing the Board to consider the request.

706.5 If the request is not decided prior to an order's expiration date, no application for a building permit may be filed pursuant to the order unless and until a decision granting the request becomes final and effective pursuant to Y § 604.8.

707 EXPIRATION

707.1 If a special exception use or use variance is established, the use will only expire if:

- (a) An expiration date is specified in the order;
- (b) The special exception use or use variance is discontinued for any reason for any period of three (3) or more years occurring after October 8, 2010; except where governmental action impedes access to the premises; or
- (c) Either of the following occurs after the effective date of the order granting the variance:
 - (1) A certificate of occupancy for a different use is issued; or
 - (2) A residential use for which no certificate of occupancy is required is established.

707.2 If a special exception use or use variance expires, any subsequent use shall conform to the regulations of the district in which the use is located.

707.3 Notwithstanding Y § 707.1(b), a special exception use or use variance shall not expire if there is objective proof of a continuing use or of affirmative steps taken to resume the use during the period of time identified by the Zoning Administrator when

revoking an existing certificate of occupancy or denying an application for a replacement certificate of occupancy.

- 707.4 An area variance shall expire if the structure erected or expanded pursuant to the variance is replaced by a structure that conforms to the structure requirements of the Zoning Regulations.

- 800.2 The Board is authorized to grant special exceptions, as provided in this title, where, in the judgment of the Board, the requested special exception meets the standards of Y § 801 and any specific conditions specified in this title.
- 800.3 In the case of a use that was originally permitted and lawfully established as a matter of right and for which the Zoning Regulations now require special exception approval from the Board, any extension or enlargement of that use shall require special exception approval from the Board.
- 800.4 In determining whether to approve any extension or enlargement under Y § 800.3, the Board shall apply the standards and criteria of the Zoning Regulations to the entire use, rather than to just the proposed extension or enlargement.

801 SPECIAL EXCEPTION REVIEW STANDARDS

- 801.1 The Board will evaluate and either approve or deny a special exception application according to the standards of this section.
- 801.2 The Board is authorized under § 8 of the Zoning Act, D.C. Official Code § 6-641.07(g)(2), to grant special exceptions, as provided in this title, where, in the judgment of the Board, the special exceptions:

 - (c) Subject in specific cases to the special conditions specified in this title.
- 801.3 The applicant for a special exception shall have the full burden to prove no undue adverse impact and shall demonstrate such through evidence in the public record. If no evidence is presented in opposition to the case, the applicant shall not be relieved of this responsibility.
- 801.4 The Board may impose requirements pertaining to design, appearance, size, signs, screening, landscaping, lighting, building materials, or other requirements it deems necessary to protect adjacent or nearby property, or to ensure compliance with the intent of the Zoning Regulations.

801.5 The Board may impose a term limit on a special exception use when it determines that a subsequent evaluation of the actual impact of the use on neighboring properties is appropriate, but shall consider the reasonable impacts and expectations of the applicant in doing so.

CHAPTER 9 VARIANCES

900 GENERAL PROVISIONS

- 900.1 With respect to variances, the Board has the power under § 8 of the Zoning Act, D.C. Official Code § 6-641.07(g)(3)(2001) (formerly codified at D.C. Code § 5-424 (g)(3) (1994 Repl.)), "[w]here, by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the original adoption of the regulations, or by reason of exceptional topographical conditions or other extraordinary or exceptional situation or condition of a specific piece of property, the strict application of any regulation adopted under D.C. Official Code §§ 6-641.01 to 6-651.02 would result in peculiar and exceptional practical difficulties to or exceptional and undue hardship upon the owner of the property, to authorize, upon an appeal relating to the property, a variance from the strict application so as to relieve the difficulties or hardship; provided, that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map."
- 900.2 Only the owner of the property for which a variance is sought, or an agent authorized by the property owner, may apply for variance relief.
- 900.3 Except for those variances heard by the Zoning Commission as part of any discretionary review process, variance cases are heard by the Board and follow the procedures of Chapter 9 of this subtitle.

901 VARIANCE TYPES

- 901.1 Variances are classified as area variances or use variances.
- 901.2 An area variance is a request to deviate from an area requirement applicable to the zone district in which the property is located.
- 901.3 Examples of area variances are requests to deviate from:
- (a) Requirements that affect the size, location, and placement of buildings and other structures such as height, floor area ratio, lot occupancy, setback width and depth, and minimum courtyard size;
 - (b) Minimum parking or loading requirements to an extent greater than what may be permitted by special exception;
 - (c) Limitations on the extent to which the gross floor area of a building may be occupied by a matter of right non-residential use;
 - (d) Limitations on the alteration or conversion of certain structures on alley lots as stated in D § 1610; E § 1104; F §903; and G § 1503;
 - (e) The prohibition against certain enlargements and additions to nonconforming structures as stated at C § 302.2; and

- (f) Preconditions to the establishment of a matter of right use including, but not limited to, the minimum land area requirement of E § 600.3 applicable to the conversion of a building an apartment house as permitted by E § 600.1, provided that the waiver would not cause the proposed use to meet the definition of a more intense use.

901.4 A use variance is a request to permit:

- (a) A use that is not permitted by right or special exception in the zone district where the property is located;
- (b) A use that is expressly prohibited in the zone district where the property is located; or
- (c) An expansion of a nonconforming use prohibited by C § 304.1.

902 VARIANCE REVIEW STANDARDS

902.1 The standard for granting a variance, as stated in § 900.1 differs with respect to use and area variances as follows:

- (a) An applicant for an area variance must prove that as a result of the attributes of a specific piece of property described in § 900.1, the strict application of a zoning regulation would result in peculiar and exceptional practical difficulties to the owner of property; and
- (b) An applicant for a use variance must prove that as a result of the attributes of a specific piece of property described in § 900.1, the strict application of a zoning regulation would result in exceptional and undue hardship upon the owner of the property.

902.2 The applicant for a variance shall have burden of proof to justify the granting of the application according to these standards and shall demonstrate such through evidence in the public record. If no evidence is presented in opposition to the case, the applicant shall not be relieved of this responsibility.
